

We're Hiring!

RADIO/DIGITAL NEWS

We are building for the future as our long-time news host is ready to retire. Seehafer Broadcasting in Manitowoc is looking for a great news announcer. Help us continue to elevate an Award-Winning News Department including interviewing local newsmakers, writing local stories & producing local news for a multi-station cluster.

- Must be dependable and organized.
- Be punctual and engaged for the workday.
- Must write local news stories every shift.
- Exercise independent professional judgment in writing, producing, interviewing, taping or broadcasting of on-air material.
- Update the website with timely local content.
- Knowledge of Adobe Audition editing software.
- Sports Play-by-play a plus.
- Participates in required station Programming meetings.
- Adheres to all guidelines, policies and procedures of the station, the FCC and all other federal, state and local laws, including policies and procedures regarding indecency and obscenity.

We have the tools to get the job done, AP & State network. Play-by-play is a plus. We need your skills to take our Newsroom to the next level with added local content both on-air and online at www.SeehaferNews.com.

You can do the job you love while living on the beautiful Wisconsin Lakeshore!
